## TREATMENTS

Fusio Dose £20.75

The ultimate personalised treatment, designed to treat specific hair needs. This hair 'shot' is made up specifically for your hair and applied after your shampoo, only needing 5 minutes to take effect. The result will be healthier, shinier hair lasting up to 5 washes at home. Speak to your stylist for your unique treatment recommendation.

Pricing is based on standard appointment times and supplies for each service. Should your style, hair type or desired colour require a longer appointment time, or use of specialist colour treatments, your service may be subject to an additional surcharge. Your stylist/technician will discuss this with you.

## SKIN TESTING FOR COLOUR

For your safety and comfort we must adhere to our Allergy Testing policy. If you have never had colour with us before, or it has been more than six months since your last colour with us, you will need an allergy test 48 hours prior to your appointment.
